Youngstown State University / Youngstown, Ohio 44555-0001

Dear Tom:

Several weeks ago you sent me a letter requesting slides of recent work for your pursuit.

Enclosed please find a video tape which includes shots of my studio 1987. and a performance work with the late Art Blakey.

I hope this tape will familiarize you with my work and process.

Contact me if you need any additional data.

Cordially
Al Bright
